In order to help providers get to know the eClinicalWorks Electronic Health Records (EHR) system, the DOHMH has established twice-weekly Webinars.

Webinars are weekly demonstrations of eClinicalWorks' award-winning EHR system that you can enjoy from the comfort of your office or home computer. eClinicalWorks Product Specialists will allow NYC practices to see their desktop as they guide participants through the system's features. Because you'll be connected by phone as well as by internet, you'll be able to ask questions and guide the demonstration so that it is tailored to your needs and interests.

Signing up for a Webinar is easy!

Once you have chosen which session you'd like to attend, e-mail the following information for each participant to pcip@health.nyc.gov:

1) Participant's name
2) Name of the practice
3) Phone number
4) E-mail address
5) Preferred date

eClinicalWorks will e-mail you the details you need to reserve your spot in a Webinar.
